

# Donate

Due to the decision by the Government not to congregate in large groups. The church premises are closed to the congregation.

We can give in many ways, by praying for one another, serving in our church and community, as well as supporting the church financially to continue changing lives. We are not a church that puts pressure on anyone to give, but people give freely as the LORD leads them. We recognise that some of us may be thinking about how they can give their tithes and offerings during this time, whilst there are no church services on site.
